

HDMI ME370309

HDMI SWITCH 5 PORTS - 4K UHD READY

Manufacturer: [Daxis](#)

Description

Metronic 5-Port HDMI Switcher allows you to simultaneously connect 5 HDMI devices to your TV to avoid frequent disconnections. Very practical, you can select the HDMI source using the infrared remote control or with the button on the box and switch from one source to another very easily.

As soon as one of your devices connected to the HDMI switch is turned on, it will immediately stream to your TV. It is a perfect HDMI multi-port solution to connect all your devices simultaneously. 5 HDMI inputs
